

Declaration of REACH, CLP and ROHS conformity

Tecan Limited declares that all of its products marketed in the EEA (EU, Norway, Lichtenstein, Iceland), i.e. substances, mixtures or articles within the meaning of Regulation (EC) No 1907/2006 (REACH; Art. 3) and Regulation (EC) No 1272/2008 (CLP; Art. 2), hereinafter referred to as "products", are supplied in accordance with the REACH and CLP Regulations.

To the best of our knowledge, we at Tecan Limited comply with the obligations in connection with the registration, evaluation, authorisation and restriction of substances. In particular:

- In the role of *manufacturer/importer*, Tecan Limited will register the manufactured/imported products, if needed, and we will communicate the REACH registration number to our customers. Furthermore, CLP notifications will be submitted, if needed.
- In the role of *article manufacturer/importer*, Tecan Limited will notify the presence of Substances of Very High Concern (SVHC) in our articles, if applicable and known to us, and communicate this to our customers. Tecan Limited does not market articles where 'intended release' is applicable.
- When using substances identified as SVHC or present in REACH Annex XIV, Tecan Limited will take every effort to continue our business by searching for suitable alternatives or by getting our uses authorised. We will keep our customers informed on the progress, when necessary.

Tecan Limited is aware of the ever-changing chemicals laws, and will therefore follow updates as close as possible, and subsequently take the necessary actions. This REACH declaration is in accordance with Version 25th June 2020; (SVHC's - 209).

Supplemental Statement

We are aware that there is a degree of concern regarding articles manufactured using processes which contain >1% Weight/Weight of substances containing Chromium (VI) which is a SVHC according to the current ECHA Candidate List:

<https://echa.europa.eu/candidate-list-table>

Tecan Limited declares that all our current articles manufactured using these processes (i) when dispatched contain less than 0.1% W/W of Chromium (VI), (ii) Tecan Limited have in place, either ourselves, or via manufacturing partners, processes which will ensure continuity of supply of these articles beyond the current 'Sunset Date' for use of this substance.

2022

Furthermore, we certify that we do not supply any products to your company containing any of the restricted substances above the maximum concentration listed in Annex II of Directive 2015/863/EU (RoHS).

The following substances and its concomitant maximum concentrations are present in RoHS:

Lead (0.1% (w/w))

Mercury (0.1% (w/w))

Cadmium (0.01% (w/w))

Hexavalent chromium (0.1% (w/w))

Polybrominated biphenyls (0.1% (w/w))

Polybrominated diphenyl ethers (0.1% (w/w))

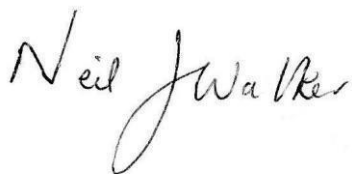

Bis(2-Ethylhexyl) phthalate (DEHP): 0.1%

Benzyl butyl phthalate (BBP): 0.1%

Dibutyl phthalate (DBP): 0.1%

Diisobutyl phthalate (DIBP): 0.1%
